

2016 FALL YOUTH VOLLEYBALL

CAMPBELLSPORT · KEWASKUM · LOMIRA · MAYVILLE · OAKFIELD

We would like to invite you to be part of the exciting Youth Volleyball Program. This program is open to any 5th through 8th grade girls from Campbellsport, Kewaskum, Lomira Mayville, and Oakfield that are interested in playing volleyball. If there are any boys that will be in 5th or 6th grade that are interested, they will be allowed to join in with the girls teams. We are not combining boys with the 7th and 8th grade girls. Younger players could be allowed to play on the older teams. Approval is needed by the Representative for your school in order for this to happen. The teams from each school will have practices and will play against each other during the season (September-October) on Saturday mornings. The schedule will be created after registration, once all teams are set. Schedules will be handed out by coaches. Games are played at one of the participating school's locations each week. Schedules vary.

Sincerely,

Youth Volleyball Association
